

Making a difference to homeless and vulnerable young people in St Helens for over 30 years

Can you provide a young person with a home and support them to be independent ?

Supported Lodgings

Who it's for

Supported Lodgings help young people aged 16-25 who are homeless or at risk of homelessness by offering them lodgings with a host

Being a host

You can be a host whether you are single, a couple, a family, at work or retired. Ideally you will live in St Helens

Being a host means that you are happy to offer a young person a room in your home for up to two years and support them while they build up the day-to-day skills they need to move on and live independently

The help you will receive

Supporting a young person as a host offers a huge personal reward.

An in-depth induction programme and ongoing training.

A weekly payment which covers the cost of supporting and housing a young person.

Weekly support from specialist Shap staff and a 24/7 telephone support service.
